EDCS-J 3, 08/2020, DOI:10.36204/edcsj-003-202008

Adresse des Autors:

dohnicht@bbaw.de

The intention of this online journal (EDCS-J) is to publish short contributions to epigraphy as well as new inscriptions, additions to inscriptions or new readings. In the case of articles with inscriptions for the database, article publication and database entry take place at the same time (once a month after submission). The authors will receive a PDF of their article, which will be available for them on the download page EDCS-Journal. For inscriptions intended for inclusion in the EDCS, authors are kindly asked to provide all the information necessary to answer the fields of the general search mask, i.e. province, place, date, text, commentary (all in Unicode ; quotations of sources and literature as in the EDCS; languages: de, en, es, fr, it or Latin). A possibly newer version of the inscriptions is available in the EDCS. The authors are responsible for supplying the copy rights of all images sent to the editors of this journal. Please submit all articles and discussions (open peer-review) to: email@manfredclauss.de or Anne.Kolb@uzh.ch.

Die Online-Zeitschrift (EDCS-J) dient der Publikation kurzer Beiträge zur Epigraphik sowie der Anzeige von neuen Inschriften, Nachträgen zu Inschriften oder Neulesungen. Bei Artikeln mit Inschriften für die Datenbank erfolgen zeitgleich Artikel-Publikation und Datenbank-Eintrag (einmal pro Monat nach Einsendung). Die Autoren erhalten ein PDF ihres Beitrags, das auf der download-Seite EDCS-Journal allgemein zugänglich ist. Zu Inschriften, die in die EDCS aufgenommen werden sollen, liefern die Autoren alle Angaben entsprechend den Feldern der allgemeinen Suchmaske: Provinz, Ort, Datierung, Text, Kommentar (alles im Unicode-Zeichensatz ; Zitate von Quellen und Literatur wie in der EDCS; Sprachen: de, en, es, fr, it oder lateinisch). Eine eventuell neuere Version der Inschriften steht in der EDCS zur Verfügung. Für die Bildrechte mitgelieferter Bilder zeichnen die Autoren verantwortlich. Einsendung von Artikeln und Reaktionen (Open peer-review) an: email@manfredclauss.de oder Anne.Kolb@uzh.ch.

Le journal en ligne (EDCS-J) est utilisé pour afficher de courtes contributions sur l'épigraphie et nouvelles inscriptions, les ajouts aux inscriptions ou les nouvelles lectures. Dans le cas d'articles avec inscriptions dans la base de données, la publication de l'article et la saisie dans la base de données ont lieu en même temps (une fois par mois après leur soumission). Les auteurs reçoivent un PDF de leur article, qui est généralement disponible sur la page de téléchargement Journal de l'EDCS. Pour inscriptions destinées à être incluses dans l'EDCS, les auteurs fournissent toutes les informations selon les champs du masque de recherche général: province, lieu, date, texte, commentaire (tous en Unicode; citations de sources et de littérature comme dans l'EDCS; langues: de, en, es, fr, it ou latin). Une version éventuellement plus récente des inscriptions est disponible dans le EDCS. Les auteurs sont responsables des droits d'image des images fournies. Soumission d'articles et de réactions (examen ouvert par les pairs) à: email@manfredclauss.de ou Anne.Kolb@uzh.ch.

Il giornale online (EDCS-J) viene utilizzato per la pubblicazione di brevi contributi all'epigrafia e a nuove iscrizioni, aggiunte a iscrizioni o nuove letture. Nel caso di articoli con iscrizioni alla banca dati, la pubblicazione dell'articolo e l'inserimento nella banca dati avvengono contemporaneamente (una volta al mese dopo l'invio). Gli autori ricevono un PDF del loro articolo, generalmente disponibile sulla pagina di download Giornale EDCS. Alle iscrizioni per l'inclusione nell'EDCS, gli autori forniscono tutte le informazioni secondo i campi della maschera di ricerca generale: provincia, luogo, data, testo, commento (tutto in Unicode; citazioni di fonti e letteratura come nell'EDCS; lingue: de, en, es, fr, it o latino). Una versione forse più recente delle iscrizioni è disponibile nell'EDCS. Gli autori sono responsabili dei diritti d'immagine delle immagini fornite. Presentazione di articoli e reazioni (peer-review aperta) a: email@manfredclauss.de oppure Anne.Kolb@uzh.ch.

La revista en línea (EDCS-J) se utiliza para la publicación de breves contribuciones a la epigrafía, y a nuevas inscripciones, las adiciones a las inscripciones o las nuevas lecturas. En el caso de artículos con inscripciones para la base de datos, la publicación del artículo y la entrada en la base de datos se realizan al mismo tiempo (una vez al mes después de su presentación). Los autores reciben un PDF de su artículo, que generalmente está disponible en la página de descarga Revista EDCS. A las inscripciones para su inclusión en el EDCS, los autores proporcionan todas las informaciones según los campos de la máscara de búsqueda general: provincia, lugar, fecha, texto, comentario (todo en Unicode; citas de fuentes y literatura como en la EDCS; idiomas: de, en, es, fr, it o latín). Una versión posiblemente más reciente de las inscripciones está disponible en el EDCS. Los autores son responsables de los derechos de imagen de las imágenes suministradas. Envío de artículos y reacciones (revisión abierta por pares) a: email@manfredclauss.de o Anne.Kolb@uzh.ch.

**Konkordanz zwischen den Separatdrucken der *Notizie degli Scavi di Antichità*
und den Abdrucken in den
Atti della Reale Accademia dei Lincei.
Memorie della Classe di Scienze morali, storiche e filologiche
für die Jahre 1876 bis 1885**

Die erste Dekade der *Notizie degli Scavi di Antichità* hatte in den Publikationsreihen der Reale Accademia dei Lincei noch keinen selbständigen Platz, sondern wurde gemeinsam mit anderen Beiträgen in den Bänden der *Memorie della Classe di Scienze morali, storiche e filologiche* der *Atti della Reale Accademia dei Lincei* veröffentlicht. Die Bände der *Memorie* selbst erschienen damals jedes Jahr in mehreren Lieferungen, so daß zwischen der Berichterstattung über die zahlreichen Neufunde bei den Grabungen an die Klasse der Akademie und der allgemeinen Veröffentlichung im Druck eine im Rückblick beneidenswert kurze Zeit verstrich.

Zusätzlich wurden die *Notizie degli Scavi di Antichità* auch als Separatdrucke mit eigener Seitenzählung herausgegeben und in dieser Form zu selbständigen Bänden für die Jahre von 1876 bis 1885 zusammengefaßt. In dieser Form sind sie z. B. in der Bibliothek des Deutschen Archäologischen Institutes in Rom zu finden. Die Nutzer finden in diesen Bänden die Fundberichte, die in den *Memorie* über zwei Bände verteilt und durch andere Berichte immer wieder unterbrochen sind, in der chronologischen Reihenfolge von Januar bis Dezember eines Jahres. Das Erscheinungsbild dieser Separatdrucke weicht nicht von dem der Bände der *Notizie degli Scavi di Antichità* nach 1885 ab. In Verbindung mit der eigenen fortlaufenden Seitenzählung fällt den meisten Benutzern also gar nicht auf, daß sie einen Separatdruck vor sich haben.¹⁾

Im *Corpus Inscriptionum Latinarum* werden die *Notizie degli Scavi di Antichità* der Jahre 1876 bis 1885 mit den Seitenzahlen des Separatdruckes zitiert. Dies ist für die Nutzer des *CIL*, die sich in den *Notizie* zu den näheren Fundumständen informieren wollen und nach zusätzlichen Angaben zu einer Inschrift suchen, nicht unproblematisch, weil es schwierig ist, diesen Separatdruck in den Bibliotheken zu finden. So war es dem Autor bisher nicht möglich, diesen in Berlin nachzuweisen. Die *Atti della Reale Accademia dei Lincei* sind hingegen in fast allen größeren Bibliotheken zu finden und in ihnen – aber eben mit anderen Seitenzahlen – auch die *Notizie*. Um diesem Problem abzuhelpfen, habe ich eine Konkordanz zwischen den Seitenzahlen des Separatdruckes und den Seitenzahlen der *Memorie* innerhalb der *Atti* zusammengestellt. Nachdem dieses Hilfsmittel in der Redaktion des *CIL* in Berlin schon erfolgreich verwendet worden ist, hoffe ich, daß es auch für andere Nutzer des *CIL* und der *Notizie degli Scavi di Antichità* nicht ohne Gewinn sein wird.

¹⁾ Ab 1886 erschienen die *Notizie degli Scavi di Antichità* zusammengefaßt als selbständige Bände, zuerst als Teil der *Memorie della Classe di Scienze morali, storiche e filologiche* der *Atti della Reale Accademia dei Lincei*, und zwar wie folgt: 1886 = Ser. 4 Vol. 2, 1885-86 parte 2.^a; 1887 = Ser. 4 Vol. 3, 1887 parte 2.^a; 1888 = Ser. 4 Vol. 4, 1888 parte 2.^a; 1889 = Ser. 4 Vol. 6, 1889 parte 2.^a; 1890 = Ser. 4 Vol. 8, 1890 parte 2.^a; 1891 = Ser. 4 Vol. 9, 1891 parte 2.^a; 1892 = Ser. 4 Vol. 10, 1892 parte 2.^a; 1893 = Ser. 5 Vol. 1, 1893 parte 2.^a; 1894 = Ser. 5 Vol. 2, 1894 parte 2.^a; 1895 = Ser. 5 Vol. 3, 1895 parte 2.^a; 1896 = Ser. 5 Vol. 4, 1896 parte 2.^a; 1897 = Ser. 5 Vol. 5, 1897 parte 2.^a; 1898 = Ser. 5 Vol. 6, 1898 parte 2.^a; 1899 = Ser. 5 Vol. 7, 1899 parte 2.^a; 1900 = Ser. 5 Vol. 8, 1900 parte 2.^a; 1901 = Ser. 5 Vol. 9, 1901 parte 2.^a; 1902 = Ser. 5 Vol. 10, 1902 parte 2.^a; 1903 = Ser. 5 Vol. 11, 1903 parte 2.^a. Ab 1904 erschienen sie vollkommen selbständig als *Notizie degli Scavi di Antichità* der *Atti della Reale Accademia dei Lincei* (bis 1920) bzw. der *Atti della Reale Accademia Nazionale dei Lincei* (bis 1939) bzw. der *Atti della Reale Accademia d'Italia* (bis 1942) bzw. der *Atti della Accademia d'Italia* (1943) bzw. der *Atti della Accademia Nazionale dei Lincei* (seit 1944) in folgenden Serien: 1904–1924 = Ser. 5 Vol. 1–21; 1925–1939 = Ser. 6 Vol. 1–15; 1940–1946 = Ser. 7 Vol. 1–7; 1947–1989 = Ser. 8 Vol. 1–43; seit 1990 Ser. 9.
